MUSEUM OF THE RED RIVER 12 Day Tour of New Zealand September 21-October 2, 2018

Dear Friends,

The next Museum of the Red River tour is to one of the world's most beautiful countries, **New Zealand**. Please consider joining us, as we visit both islands of this magical place. Enjoy spectacular natural scenery, learn about the Maori (one of the South Pacific's most intriguing cultures), and be entertained by local performers. We will also visit archaeological sites, pan for gold, travel by boat on beautiful lakes and through caves and grottoes, drink local wines (Otago pinot noirs), eat traditional (Maori-hangi) and local (BBQ) cuisines, experience local farms, and engage with local artisans in their studios and galleries. The end of September is Spring there, and we can expect luxuriant and verdant growth along the mountain valleys, calm seas (as we cross from one island to the next), and moderate weather. This trip promises to have something (great) for everyone!
