**Day 1 Depart USA** Depart New York JFK for Cairo. Meals and refreshments served on board.

**Day 2 Cairo** Arrive in the Land of the Pharaohs. At Cairo International Airport you will be welcomed and assisted through immigration and customs by your tour director, then escorted to your hotel. This evening you can learn about the history of this ancient land and the story of the Sphinx through an optional Sound & Light Show. With laser beams and light projections on the ancient walls of the Mummification Temple, desert sands, pyramid walls and the Sphinx itself, a fascinating story is revealed. The accompanying soundtrack enhances the surroundings, and the voice of the Sphinx is aptly dramatic and mysterious!

**Day 3 Cairo** Today start your day with a visit to the Museum of Egyptian Antiquities. Your visit to the museum will include a collection of Pharaonic artifacts and the treasures of King Tutankhamen's tomb. After lunch, you drive to the new Grand Egyptian Museum for a private behind the scenes tour (subject to Ministry of Antiquities approval). This evening you enjoy a discussion with a renowned Egyptologist (Cultural Discovery Series). Overnight in Cairo. (B,L)

**Day 4 Cairo/Abu Simbel/Cruise** This morning transfer to Cairo airport to board a flight to Abu Simbel. Upon arrival in Abu Simbel, you will be transferred to the temple site. Visit the Temples of Ramses and Queen Nefertari. Among the most magnificent monuments in the world, their removal and reconstruction were a historic event. When the temples (now 280 km from Aswan) were threatened by submersion in Lake Nasser, the two temples (that of Rameses II primarily dedicated to Re-Harakhte, and that of Queen Nefertari dedicated to Hathor) were moved to their new location. After touring you will be transferred back to the airport for a short flight to Aswan. Check in to your Nile riverboat and relax. Overnight in Aswan. (B,L,D)

**Day 5 Cruise** After breakfast on board, you sail on board a "Felucca," a typical Nile sailboat, and view Kitchener's Island Botanical Garden and the Agha Khan Mausoleum. A stop will be made for a guided exploration of the Nubian Tombs at the foot of the Temple of the Winds. After lunch, you sail to Kom Ombo where you will visit the magnificent temple overlooking the river Nile. This Ptolemaic period Temple is the only double temple in Egypt, i.e., shared by two gods, the crocodile-headed God Sobek, and the falcon-headed God Horus. The temple has two entrances, two courts, two colonnades, two Hypostyle halls and two sanctuaries, one side for each god. This evening you will enjoy a Galabeya Party after dinner. You are encouraged to shop and wear "The Galabeya", traditional Egyptian garments native to the Nile Valley. Overnight in Edfu. (B,L,D)

**Day 6 Cruise** After breakfast you will visit the Temple of Horus, dedicated to the Falcon God Horus, a central figure in ancient Egyptian mythology who served many functions such as God of Sun, War, and Protection. Considered the best-preserved ancient temple and the second largest after the complex at Luxor/Karnak. You will then sail to Esna and pass through the Esna Lock system, with lunch on board. As you cruise the Nile, tea, coffee and desserts are served as you watch the world drift by. Late afternoon you arrive at Luxor and visit the temple. Luxor temple is known as the world's best open-air museum, but that comes nowhere close to describing this amazing place. Nothing in the world compares to the size and magnificence of the monuments that have survived from ancient Thebes. This evening you will enjoy a manager's cocktail party. Overnight in Luxor. (B,L,D)

**Day 7 Cruise** After breakfast you will visit the West Bank, including the Valley of the Kings. The ancient Egyptians built massive public monuments to their pharaohs. They also spent time creating concealed underground tombs full of treasures. The most famed collection of such intricate tombs, the Valley of the Kings, became a royal burial ground for pharaohs such as Tutankhamun, Seti I, and Ramses II, as well as queens, high priests, and other elites of the 18th, 19th, and 20th dynasties. Here we will visit the tomb of Seti I, plus two other pharaohs and the Tombs of the Valley of the Kings' workers. Lunch served at a local restaurant off the vessel. Then see the Temple of Queen Hatshepsut at Deir El Bahari and the Colossi of Memnon. At the valley of the Queens, you will tour the Tomb of Nefertari. In the evening enjoy a Nubian Folkloric Show on board. Overnight in Luxor. (B,L,D)

**Day 8 Luxor/Cairo** Today you disembark and tour the temple of Karnak, built from the beginning of the Middle Kingdom to the Greco-Roman Period. The second most visited historical site in Egypt, 30 pharaohs

Kom Ombo

contributed to its buildings. In certain places, there are columns that are over three stories tall and about 3000 years old. See the centuries-old city of pylons, hypostyle halls, colossal statues, shrines, and obelisks. Lunch served at a local restaurant off the vessel. Afterwards transfer to Luxor airport for a midafternoon flight to Cairo. Upon arrival to Cairo, transfer to the hotel and check-in. (B,L)

**Day 9 Cairo** After breakfast, visit the Great Pyramid of Giza, the defining symbol of Egypt and the last of the ancient Seven Wonders of the World, and the mysterious Sphinx- a mythological creature with a lion's body and a human head, and an important image in Egyptian and Greek art and legend. Enjoy lunch and continue your visit to Solar Boat Museum followed by the short trip to Sakkara where you will see the famous Step Pyramid. Evening is free for last minute shopping or to relax by the pool. (B,L)

**Day 10 Cairo to USA or extend your stay with an optional Alexandria extension** Morning transfer to the airport for your return flight home. (B)
